

Unit Test: Ledger Lines, Time Values, Time Signatures and Triplets

Instructions: Read each question carefully, then type your answer in the space provided.

1. Write the letter names (ALL CAPS)

The image shows two musical staves. The top staff is a treble clef with notes on the first line (F), first space (G), second line (A), second space (B), third line (C), third space (D), fourth line (E), and fourth space (F). The bottom staff is a bass clef with notes on the first space (F), first line (G), second line (A), second space (B), third line (C), third space (D), fourth line (E), and fourth space (F). Below each staff are eight empty boxes for writing the letter names.

2. write the time values in order (1,2,3,4 etc):

The image shows two exercises for ordering time values. Exercise (a) is labeled 'from the shortest to the longest' and shows six notes: a half note, a quarter note, an eighth note, a dotted half note, a dotted quarter note, and a dotted eighth note. Exercise (b) is labeled 'from the longest to the shortest' and shows the same six notes in reverse order. Below each exercise are six empty boxes for writing the time values in order.

3. If a triplet sign was written over these notes, how many beats would this triplet be worth ? _____

- A** 1 beat **B** 2 beats **C** 3 beats **D** 4 beats

4. How many beats is the dotted triplet worth in this tune? _____

- A** 1 beat **B** 2 beats **C** 3 beats **D** 4 beats

5. Which of these would be played in the time of a crotchet? _____

6. How long is this triplet? _____

- A** 4 beats **B** 2 beats **C** 1 beat **D** 3 beats

7. Which time signature should this tune have? _____

- A** $\frac{2}{2}$ **B** $\frac{3}{8}$ **C** $\frac{4}{2}$ **D** $\frac{3}{2}$

8. Which time signature should this tune have? _____

- A** $\frac{3}{8}$ **B** $\frac{3}{2}$ **C** $\frac{2}{2}$ **D** $\frac{4}{2}$

9. Which note in this tune is a semiquaver? _____

A C B E C B D A

10. Which rest would complete this bar? _____

11. Which of these bars is written correctly? _____

12. Look at the melody then answer the questions.

Moderato

a Letter names

- Write the letter name of the lowest note. _____
- Write the letter name of the highest note. _____
- Write the letter name of the last note in bar 3. _____

b Time names and time values

- Write the time name (e.g. crotchet, minim) of the shortest note. _____
- Write the time name (e.g. crotchet, minim) of the longest note. _____
- The tied notes in bars 1-2 are worth _____ quavers.
- The last note in bar 4 is worth _____ semiquavers.
- How many bars contain a minim? _____
- Cross out any time values that are NOT used:

semibreve	dotted minim	minim	crotchet	quaver	semiquaver
-----------	--------------	-------	----------	--------	------------

c Time signatures

i The bottom number 2 in $\frac{3}{2}$ means minim beats. _____ (TRUE/UNTRUE)

ii. If the bottom number of this time signature was 2, what would the top number be?

A 4 B 2 C 8 D 3

d Notes and rests

- The rhythm  occurs _____ times.
- Which bar has the same rhythm as bar 1? Bar _____
- A triplet  means 3 quavers are played in the time of a _____.
