1. Read this story and answer the questions

Tails

Tails are a fantastic new rock band from Liverpool. Jason Watts (16) is the singer, Karen Jones (14) plays the guitar, Robbie Gibson (14) plays the guitar too and his brother, Andy (15), is the drummer.

Jason and Karen were best friends at primary school. Later, they started a pop band together when they were twelve. Three years ago, they left the band because they hated the music! They wanted to play rock, not pop.

Jason and Karen met Robbie and Andy in the music room at college. Robbie and Andy were great musicians and Karen was a great songwriter. With Jason's cool voice it was a perfect combination and Tail was born!

Answer TRUE (T) or FALSE (F)

1. There are six people in the band
2. Robbie and Andy are brothers
3. Jason and Karen met at school
4. Jason and Karen left their first band because they played rock
5. Andy is the singer of the band
