

LESSON: GRACE OF WATER

GRADE: 3

ACTIVITY: READ AND LIST OUT ANY THREE BENEFITS OF ZAMZAM WATER.

Zamzam is unlike any other water as it contains many important minerals which give it a healing quality and its characteristic taste. The miracle of Zamzam is its continuous flow since 2000 BC. Zamzam Water enhances energy levels in our cells and it contains no germs or bacteria. It is known for its purity and is rich in Calcium and Magnesium. Zamzam Water encourages the growth of healthy bones.
