You **(1)**..... think that you are better now, better now
You only say that 'cause I'm not around, not around
You know I never meant to let you down, let you down
Woulda gave you **(2)**....., woulda gave you everything

I did not believe that it would end, no
Everything came second to the Benzo
You're not even **(3)**..... ...., no
You knew all my uncles and my **(4)**..... though
Twenty candles, blow 'em out and **(5)**..... .....
.....
We were looking' forward to the rest of our lives
Used to keep my **(6)**..... posted by your bedside
Now it's in your dresser with the socks you don't like
And I'm rollin', rollin', rollin', rollin'
(7)..... .... like it's Jonas, Jonas
Drinking' Henny and I'm tryna forget
But I can't get this **** **(8)**..... ....
