15. What is the moral?

One day a Young Crab and his mother were on the beach; the Young Crab gets up to move.

"Why in the world do you walk sideways like that?" Said the Mother Crab to her son. "You should always walk straight forward with your toes turned out."

"Show me how to walk, mother dear", answered the little Crab obediently, "I want to learn."

So the old Crab tried and tried to walk straight forward. But she could walk sideways only, like her son. And when she wanted to turn her toes out, she tripped and fell on her nose.
