Don’t shut me down- ABBA

lyrics video

A while ago, I heard the sound of children's laughter
Now it's _____, so I guess they left the park
This _____ bench is getting _____ by the hour
The sun is going down, it's getting _____

I realise I'm _____, the rain begins to pour
As I watch the windows on the _____ floor
The lights are on, it's time to go (ooh)
It's time at last, to let him know

I believe it would be _____ to say, "You look _____"
And you wonder why I'm here today
And so you should, I would
When I left, I felt I've had enough
But in the shape and form, I appear now
I have learned to cope, and love and hope is why I am here now

And now you see another me, I've been reloaded, yeah
I'm fired up, don't shut me down
I'm like a dream within a dream that's been decoded
I'm fired up, I'm _____, don't shut me down

I'm not the one you knew, I'm now and then _____
And I'm asking you to have an open mind (and I won't be the same)
I'm not the _____ this time around (ooh)
I'm fired up, don't shut me down

Will you leave me standing in the hall or let me enter?
The apartment hasn't changed at all
I've got to say, "I'm _____"

Once these rooms were witness to our love
My tantrums and _____ frustration
But I go from _____, to not so _____
In my transformation

And now you see another me, I've been reloaded, yeah
I'm fired up, don't shut me down (don't shut me down)
I'm like a dream, within a dream, that's been decoded
I'm fired up, I'm _____, don't shut me down

I am not the one you knew (I'm not the one you knew)
I'm now and then _____
And I'm asking you to have an _____ mind (now, I'll not be the same)
I'm not the _____ this time around (ooh)
I'm fired up, don't shut me down

You ask me not to leave
Well, here I am again
And I love you still and so I won't pretend
I have learnt to cope, and love and hope is why I am here now

Songwriters: Benny Goran Bror Andersson / Bjoern K. Ulvaeus
Don't Shut Me Down lyrics © Universal Music Publishing Ab

Listen to the song and fill in the lyrics with the adjectives:

mad
quiet
same
fair
cold
bad
bewildered
increasing
hot
combined
same
second
harder
dark
glad
open
wooden
