

**Ex.1 Listen and read about three friends, Steve, Lucy and Guy. Tick the true sentences.**

- 1 Steve went to Mexico two weeks ago.
- 2 He was in the Caribbean two months ago.
- 3 He wants to go to Australia on holiday.
- 4 Guy and Lucy were self-employed three years ago.
- 5 The Prime Minister came to their restaurant last month.
- 6 Guy and Lucy are going to Peru next year.

**Ex.2 Look at the sentences in blue. Then complete the rules**

*We use the Present Perfect to talk about*

*We use the Present Perfect when we*

*an exact time*

**Ex.3 How do we form the present perfect?**

		've	haven't	hasn't	's
<b>Positive:</b>	<i>I/You/We/They</i>	+		+	$V_3$
	<i>He/She/It</i>	+		+	$V_3$
<b>Negative</b>	<i>I/You/We/They</i>	+		+	$V_3$
	<i>He/She/It</i>	+		+	$V_3$

**TIP** • We can say *I haven't ...* or *I've never ...* :  
*I've never been to Australia.*

**Ex. 4 Type  $V_3$  forms for these verbs**

- |                            |                             |
|----------------------------|-----------------------------|
| <input type="radio"/> be   | <input type="radio"/> stay  |
| <input type="radio"/> cook | <input type="radio"/> study |
| <input type="radio"/> go   | <input type="radio"/> visit |
| <input type="radio"/> have | <input type="radio"/> work  |
| <input type="radio"/> lose | <input type="radio"/> write |
| <input type="radio"/> meet | <input type="radio"/> watch |
| <input type="radio"/> see  | <input type="radio"/> try   |

**Ex.5 Complete the text with the present perfect form of the verbs in brackets.**

They have travelled further than anyone or anything in history. Since their launch from Earth, they \_\_\_\_\_<sub>1</sub> (pass) the nearest planets on their way to the largest planets in our solar system. Voyagers 1 and 2 \_\_\_\_\_<sub>2</sub> (record) the winds in Jupiter's atmosphere and have photographed Saturn's rings. Voyager 2 \_\_\_\_\_<sub>3</sub> (find) new moons orbiting Uranus and \_\_\_\_\_<sub>4</sub> (send) back information about Neptune. Voyager 1 \_\_\_\_\_<sub>5</sub> (not be) to Uranus and Neptune. Instead it continued its journey out of our solar system. It \_\_\_\_\_<sub>6</sub> (not run out) of power and is still sending scientific information back to Earth.

**Ex.6 Use 3 of the verbs from ex.4 to write sentences about you. One sentence should be false.**

**Read your sentences. The group guesses which one is false.**
