Malayan tigers live in (jungles/forests/
mountains) in Malaysia and parts of
(Indonesia/Thailand/Brunei). They are orange
with (white/black/grey) stripes. Malayan tigers
are (smaller/taller/shorter) than many other
tigers, but they are very (fierce/strong/fast).

Malayan tigers are very good hunters. They
hunt and eat (big/large/small) animals like
monkeys, deer or goats. They can even eat small
(hippos/elephants/horses).

Malayan tigers like to swim and play in rivers
and (seas/lakes/swamps). I like Malayan tigers
because they are very strong and beautiful
animals.
