

### Actividades:

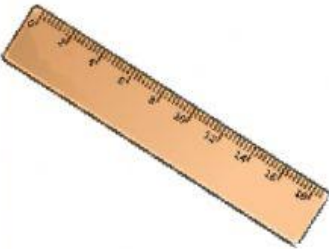

1. Escribo las sílabas con r.

|   |   |  |  |  |  |  |
|---|---|--|--|--|--|--|
| r | → |  |  |  |  |  |
|---|---|--|--|--|--|--|

2. Escribo la sílaba inicial de las siguientes imágenes.

|                                                                                   |   |  |                                                                                   |   |  |                                                                                     |   |  |
|-----------------------------------------------------------------------------------|---|--|-----------------------------------------------------------------------------------|---|--|-------------------------------------------------------------------------------------|---|--|
|  | → |  |  | → |  |  | → |  |
|-----------------------------------------------------------------------------------|---|--|-----------------------------------------------------------------------------------|---|--|-------------------------------------------------------------------------------------|---|--|

3. Observo las imágenes, luego haz clic en la sílaba inicial correspondiente.

|                                                                                    |    |
|------------------------------------------------------------------------------------|----|
|  | ra |
|                                                                                    | re |
|                                                                                    | ri |

|                                                                                     |    |
|-------------------------------------------------------------------------------------|----|
|  | ro |
|                                                                                     | ru |
|                                                                                     | re |

|                                                                                     |    |
|-------------------------------------------------------------------------------------|----|
|  | ru |
|                                                                                     | ra |
|                                                                                     | ri |

|                                                                                      |    |
|--------------------------------------------------------------------------------------|----|
|  | ro |
|                                                                                      | ru |
|                                                                                      | re |
