

The Travelling Frog

This is a frog. Her name is Lily. She lives in a lake. She is very active. Lily swims, plays and jumps every day. But most of all she likes travelling.

Every day she travels to another lake to visit her friends Pit and Pat. They are big white birds.

One day her friends say that they will fly to a warm country because it is cold there. Lily wants to go to a warm country but frogs cannot fly. How can she get there?

She cannot go by bus, by train or by plane. She hasn't got a ticket.

Lily has a plan. Lily asks Pit and Pat to take her to the warm country. Lily puts a stick into her mouth. Pat takes one end of the stick and Pit takes the other end of the stick and they can fly. Their trip was weird but successful.
