

Lesson 05 – Peer Revision Guide

➤ **When you receive your partner's writing.**

1. Find the topic sentence. Circle the topic and underline the controlling idea.
2. At the bottom of the paper write the question that you think is the guiding question.
3. Number each of the sentences that you think answers your guiding question.
4. Circle the commas used to combine sentences. Are they used correctly? Should they be periods? Why?
5. Hand the paper back to your partner, so they can rewrite their final draft based on the format on page 2.
