

## Bijak Membeli

Ayah Dinesh membeli seutas jam tangan baharu. Beliau membeli jam tangan itu di sebuah kedai jam yang berjenama.

Jam tangan itu ada waranti. Jika jam tangan itu rosak dalam tempoh tertentu, jam tangan itu akan diganti secara percuma. Selepas tiga bulan, jam tangan yang dibeli oleh ayah Dinesh itu rosak. Beliau pun pergi ke kedai menjual jam tangan tersebut.

Beliau membuat aduan tentang kerosakan jam tangan itu. Beliau menunjukkan kad waranti jam tangan tersebut kepada penjual jam tangan.

Oleh sebab jam tangan itu mempunyai waranti, ayah Dinesh mendapat jam tangan baharu. Ayah Dinesh berasa amat gembira.
