

New Words

a. Alice wrote an essay about her best friend for homework. Does she like everything about Simon?

My best friend is Simon. He is very **helpful**. When I can't do my math homework, he helps me. He doesn't like **selfish** people. That's why he always shares his candy with his friends. I think he is very **kind**. He always thinks about other people.

Simon always makes me laugh. He is so **funny**! Lots of students in our class like him. He is very **friendly**, too. He has a lot of friends.

One bad thing about Simon is he can be **lazy**. He doesn't like doing housework or schoolwork. That's OK because he is my best friend!
