My Country

Malaysia is a small country in Southeast Asia. It has a population of about 32 million. Many tourists visit Malaysia every year because of its climate, scenery and people.

Malaysia hasweather from January to December. The nature of Malaysia's weather and climate means that it experiences a monsoon season however this varies depending on the destination.

Malaysia has hundreds of islands. For examples.....and These beaches are.....beaches andsea. However, a lot of people don't know that Malaysia also has many forests and mountains with a lot of wildlife.
