"It's a very dark color, Richard" she said. "If you want a different colour, how about orange? That's nice, I think"

"But I love purple, Mum. I'm sure it will look amazing!" Richard answered.

"Ok! His mother said. "We can fetch some paint from the supermarket. We can buy brushes there too".

They took the train into the city and got everything that they needed. When they arrived home, they put on some old clothes, carried Richard's bed and cupboards into another room, found some old newspapers and put them on the floor and then started painting. They painted for three hours.

Then they tidied the room, went downstairs and made a hot drink. But Richard was excited and run upstairs to look at his room again.

“ Do you like it?” His mother called from the kitchen.

It looks great, Mum! I love it! Richard answered. “And I’d like to paint my bed and cupboards purple now too, I think.
