

# FIRST & SECOND CONDITIONAL

1. Peter, if you \_\_\_\_\_ carefully to the teachers, you \_\_\_\_\_ better grades, but you never do that!
2. If we \_\_\_\_\_ respectful with our classmates, we \_\_\_\_\_ valued in class.
3. Peter, if you \_\_\_\_\_ from your mistakes, you \_\_\_\_\_.
4. If we \_\_\_\_\_ our best, we \_\_\_\_\_ much more!
5. Our teacher always says that if we \_\_\_\_\_ our hand to speak, we \_\_\_\_\_ her attention.
6. If we \_\_\_\_\_ class rules, we \_\_\_\_\_ how to behave correctly.
7. Unless we \_\_\_\_\_ these basic class rules, we \_\_\_\_\_ a warning from Miss Ortiz.

## First or Second? Choose

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
