

Trabajamos la resta en  
la recta numérica

1.- Resuelvo las operaciones.

$$9 - 5 = \boxed{\phantom{00}}$$
A cartoon pencil character with a yellow body, a pink eraser, and a smiling face. It has simple arms and legs and is pointing its right arm towards the empty box for the answer.

$$10 - 3 = \boxed{\phantom{00}}$$
A second cartoon pencil character, identical to the first, with a yellow body, a pink eraser, and a smiling face. It has simple arms and legs and is pointing its right arm towards the empty box for the answer.
