

#### IV.- ORGANIZACIÓN PERCEPTIVA (20 pts)

a) Observa e identifica la combinación que debe ir en cada intersección y es número en el Cuadrado que corresponda en cada caso.(10 pts)

The worksheet consists of two main parts. The left part is a 3x3 grid of colored circles. The top row has a green circle, a red circle with a white square containing the number 1, and an orange circle with a white square containing the number 2. The middle row has an orange circle with a white square containing the number 3, a blue circle with a white square containing the number 4, and a green circle with a white square containing the number 5. The bottom row has a blue circle with a white square containing the number 6, an orange circle with a white square containing the number 7, a blue circle with a white square containing the number 8, and a green circle with a white square containing the number 9. The right part is a matching exercise with 10 rows. Each row has a blue arrow pointing from a specific circle in the grid to a white rectangular box. The circles are: 1. Top-right orange circle (arrow to box 1), 2. Middle-left orange circle (arrow to box 2), 3. Middle-middle blue circle (arrow to box 3), 4. Middle-right green circle (arrow to box 4), 5. Bottom-left blue circle (arrow to box 5), 6. Bottom-middle orange circle (arrow to box 6), 7. Bottom-right green circle (arrow to box 7), 8. Bottom-middle orange circle (arrow to box 8), 9. Bottom-left blue circle (arrow to box 9), 10. Bottom-middle orange circle (arrow to box 10).
