

Do you worry about the same problems?

I worry about the _____ problems. I'd like other people not to make the Earth a litter bin. The _____ in the world is getting worse every day. A lot of paper is thrown in the parks, streets and lots of other places. I think that not only special _____ should be in charge. We also can make our _____. Let's put our litter in the bins. Then our cities would be happy and clean places to live. Our Earth needs _____. Please don't let it be destroyed. (Frank)
