

STATES OF MATTER

Complete the song lyrics.

Solid, liquid and gas

The three states of _____, they all have mass

Solid, _____ and gas

They all have mass.

A solid is firm, a solid is _____

Just like the _____ in your backyard

A liquid is wobbly a liquid is loose

Just like _____ or milk or juice

A gas is the trickiest one to me

Because a gas is something that you _____ see

The helium gas in your _____

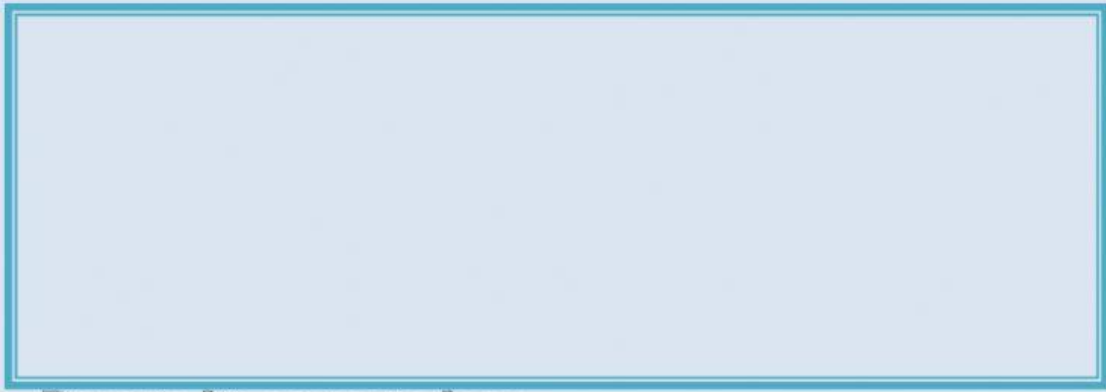

Makes it float all around the room

Solid, liquid and _____

The three states of matter, they all have mass

_____, liquid and gas

They all have mass.

Drag to its correct place.

	SOLID	LIQUID	GAS
