- This illustration shows a traditional Chinese-style house with a tiled roof. The house is cutaway to reveal the interior. The roof has a garden with plants. The interior includes a living room with a blue sofa, a dining room with a wooden table, a kitchen with a stove, and a bathroom with a toilet. There is also a bedroom with a bed. Outside, there is a garden with plants, a parking area with a motorcycle, and a fence. Several empty rectangular boxes with arrows pointing to different parts of the house are provided for labeling.
