Read the parts of the story. Write numbers 1, 2 and 3 to make the story make sense.

	Making a pizza can be easy and fun! First, get some dough and roll it until it is flat and shaped like a circle.	1
	The last thing you have to do is cook your pizza. When it is done, cut it into slices and eat it.	2
	After that, add some pizza sauce. Put some cheese on top of the sauce. Then, add some toppings.	3
