Outside Dubai, there are huge hills of sand called 'dunes'. There are thousands of kilometres of them. There is an exciting sport you can do on them: sandboarding! This is the same as snowboarding, but it's on sand instead of snow! It's great fun but you need to be careful too – it is dangerous to be in the hot sun for a long time. Drive up to the top of the dunes, then sandboard down. The worst part is that you have to walk back up afterwards!
