Rounding

Round to the nearest ten. Circle or Click the number it is closest to.

Find your tens place and then look next door.

5 or more next door raise the score! (5, 6, 7, 8 or 9) it gets bigger.

4 or less next door, let it rest! (4, 3, 2, or 1) it stays the same.

a. **10** **11** **20**

b. **60** **67** **70**

c. **20** **24** **30**

d. **30** **35** **40**

e. **70** **71** **80**
