

Look at the color of the square where there is a toy. If the square is red, the toy belongs to a girl, if it is blue, the toy belongs to a boy. Put an X in the block. Leave the wrong block empty.

Paskaties, kādā krāsā ir laukums, kur ir rotaļlieta. Ja kvadrāts ir sarkans, rotaļlieta pieder meitenei, ja zils, rotaļlieta pieder zēnam. Ielieciet X. Nepareizo atstājiēt tukšu.

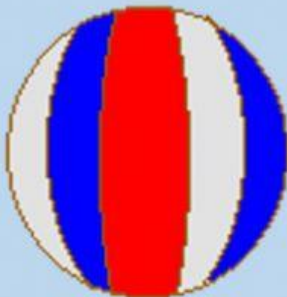

Посмотрите на цвет квадрата, в котором игрушка. Если квадрат красный, игрушка принадлежит девочке, синий - мальчику. Поставьте крестик в квадратике. Оставьте неправильный квадратик пустым.
