

Past tenses mix

1. Think of some period of time in the past (e.g. yesterday, last month, 6 months ago etc.). Write one word about what happened then.
2. Think of what you were doing when that action happened.
3. Think of what you or another person had done before that action happened.
4. Think of what you or another person had been doing before that action happened.
5. After you put the words of those actions onto the time map below talk about them using correct verb forms. Additionally you can listen to your partner talking and then retell what she/he had said.
6. Write your sentences down.

1. _____
2. _____
3. _____
4. _____
