Cassie, hi!
You know, fall is my favorite time of the year. I'm sorry you can't enjoy this year's fall, but let me tell you about it. The leaves are changing color. Well, you know that, but it still amazes me. And lots of them are falling in the backyard. Mom is inviting kids around the neighborhood to rake the leaves, go for a walk in the woods, and roast some chestnuts in the backyard. It's going to be a lot of fun!
Wish you were here.

Take care!
Lisa
