

Dreaming about the future

Complete the story with the correct option.

My last vacations were amazing! I went to Paris to visit an old friend. Now, vacations are right around the corner. I don't know what to do this time. I _____ cities that has an interesting history such as Cairo. I _____ to travel there. So far, I know Cairo is a cheap city. There are lots of places to visit and a variety of food to try.

I _____ to take a lot of photos of the Pyramids even though I know the entry tickets are quite expensive. I _____ to spend money to visit attractions when I know there are other attractions that are free. I _____ to have more money so I won't have to travel on a budget. Maybe I could ask my friend to lend me some money but I _____ to owe money.
