Directions: Complete sentences 1-5 with the words in brackets in the correct order

Sara: ⁰ The most important life event for a young person is leaving home. (is / life event / The / leaving home. / for a / young person / most important)
The best age is about eighteen or nineteen. Some people only leave home when they get married. But I think ¹ _____
(it / your own / a younger age. / is important / decisions / from / to make) I'm seventeen now and I don't want to go to university. When I leave school, I want to get a job and earn money. Then I can leave home. I want to buy my own flat one day [...]

Grace: For me, ³ _____
(is / going / important. / first date / really / on your) It's that first step in romance. And I think ⁴ _____ (falling / life event. / is / in love / most important / the)
I remember my first date – I was so nervous! I'm fifteen now and my boyfriend Paul and I are in love. Of course, we don't want to get married yet! We want to do lots of things before we get married – study, travel. Anyway, it's better to get married when you're older ... around thirty or later.

Mike: I think ² _____
(most / to drive. / is learning / important / the / life event) Now, my parents fetch me from my friends' houses – but they come at 10 o'clock. I'm sixteen – I want to stay out later! I can't wait until next year when I can learn to drive! A driver's licence can also help you get a better job. I think falling in love or buying your first flat are important ... but for me, at the moment, all that is less important than learning to drive.

Simon

I think ⁵ (your first job / important / thing / is / the most). Most people get their first job in their twenties – twenty-one, twenty-two – but I think it's a good idea to get a Saturday job or a holiday job when you're younger. I'm fifteen and I work in a shop on Saturdays. It's good experience and I'm saving all the money to pay for driving lessons! I want to buy my own car one day.
