

# Los Cuadriláteros

¿Qué es un cuadrilátero?

Los cuadriláteros poseen:

Coloca el nombre a los siguientes cuadriláteros.

(Cuida tu ortografía, escribe con minúscula)

Calcula el perímetro de los siguientes cuadriláteros.

$$P = \boxed{\quad} + \boxed{\quad} + \boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

$$P = \boxed{\quad} + \boxed{\quad} + \boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

Calcula el área de los siguientes cuadriláteros. Recuerda las fórmulas.

$$A = \boxed{\quad} \times \boxed{\quad}$$

$$A = \boxed{\quad} \times \boxed{\quad}$$

$$A = \boxed{\quad}$$

$$A = \boxed{\quad}$$
