Exercise 3: Read the letter from Rachel to her pen friend Susie. Then complete the exercise.

Dear Susie,

Thank you for your letter. I'm writing to tell you about the sports I enjoy doing. I like playing tennis and swimming, but my favorite sport is cycling. I got my first bike when I was 8, and I started cycling to school with my sister, Helen, when I was 12. Now my sister goes to a different school, so I ride to school with my friend Laura. At the weekend, I often go cycling in the countryside with my parents and Helen. We cycle all day and take a picnic for lunch. We go cycling in winter and summer, but I prefer cycling in winter because the countryside looks pretty. I like taking photos on my phone of the trees and animals.

I also go on cycling holidays with my family. We usually go to the north of England, but last summer, we went to the mountains in the south of Spain. We all enjoyed cycling in the day and going to restaurants in the evenings. It was sometimes difficult to cycle in Spain. It was not difficult to cycle in the mountains because we had mountain bikes, but the weather was very hot, so we got quite tired. I would like to go cycling in Spain again next summer, but my parents want to go cycling in Scotland.

I also cycle for my school team. My friend Laura joined the team two years ago, and I joined last year. We race against cyclists from other schools. Last year, I won second prize in the 10 km race. I was really happy, but next year I will try to win first prize.
