Directions: Read the passage carefully. Then answer each question.

On Monday, Meg and Penny walked home from the park.

"Do you know what time it is?" Meg asked.

"It is five o'clock," said Penny. "We need to get home because I do not want to be late for dinner."

Just then, they passed the Smith house. It looked **shabby** because it had been empty for months. Grass and weeds were growing everywhere. A window in the front was broken. Penny saw a mouse run by. "This house gives me the creeps!" whispered Penny.

"Oh, don't be silly," laughed Meg. Meg walked through the tall grass to open the gate. "Hey," said Meg, "the door is open. Let's go in the house."

"No!" yelled Penny. Then she started to cry.
