My home

This is my family and this is [0] our home. We live in a new flat. I like our flat. It's a [1] happy place.

In the flat there [2] are four bedrooms. [3] We've also got a kitchen, a bathroom, a living room and a dining room. Oh, and a hall too!

My favourite room is [4] my bedroom! I've got pictures on the walls and lots of board games. In my bedroom, I've also got a computer, a TV and a guitar.
