

My home

This is my family and this is ⁰ our home. We live in a new flat. I like our flat. It's a ¹ happy place.

In the flat there ² are four bedrooms. ³

We've ⁴ also got a kitchen, a bathroom, a living room and a dining room. Oh, and a hall too!

My favourite room is ⁴ my bedroom! I've got pictures on the walls and lots of board games. In my bedroom, I've also got a computer, a TV and a guitar.
