GRAMMAR

QUESTION WORDS

Question words are used in questions when asking for information.

These are **question words**: **who** **what**

The question word **'who'** is used to ask for the **names or relationship of persons** in a question.

Example:

1. 

Who is this? This is **Adam**.

2. 

Who are they? They are my **friends**.

The question word **'what'** is used to ask question about **animals, things, occupations or people activities** in a question.

3. 

What is this? This is a **pencil**.

4. 

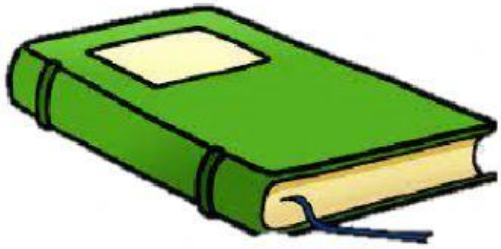

What is his job? He is a **postman**.
