Questions 33 to 40.

Ben and his family are planning to go to the beach for their weekend activity. Below are the

A. Holly Bay

The café here serves delicious meals and sandwiches! The water's calm in the bay, perfect for people wanting to swim across it-around 2 kms! However, it's very deep, so is only suitable for strong swimmers. There are often sand artists here, and horses for hire to take you along the beach.

B. Barmouth Beach

This beach often has displays of animals and birds - skilfully made from sand, which you can also learn how to do. It's also the perfect place for lying in the sun- or why not explore the beach paths on foot for an hour or two? The views are fantastic.

C. Minton Strand

The sea here offers safe swimming and sailing, even for beginners, but there's still plenty to do when you want a change from sunbathing. A teenagers' beach club offers sports like cycle rides, volleyball and beach chess - great for everyone getting to know each other!

D. Silver Sands

The beach has a sea temperature slightly higher than other coastal areas, and with its gentle waves it's perfect for children. There's plenty to do, too, with play leaders offering games to entertain younger ones, and surfing and sailing available at all levels, including beginners. The snack bar is excellent, too.

E. Franscombe

This beach is popular with families with young children and people who aren't strong swimmers, as the water is warm and not deep. Bring your own food to the picnic area or try the great snacks at the café. However, the nearest car park is quite a walk away.

F. Westley Beach

There are distance swimming, sailing and surfing sessions for people of all levels, and the beach is also famous for sculptures made of sand, which artists display every weekend! It's easily reached from the car park through a lovely wood, which you can explore on foot when it gets cooler.

Subject: Holiday by the beach

Hi Mom,

I haven't decided on the beach that I want to go for this upcoming weekend. I think the best choice would be the Silver Sand. As the (37) is warmer than other beaches, it would be nice for the children to swim. If I wanted to try sailing with Lisa, I could ask the play leader to (38) the children. I don't even have to worry about my sailing skills because all levels are (39) . Besides, if I didn't bring enough (40) , they have a nice snack bar by the beach. Tell me what you think.

Ben
