Subject: Family Fun Day at my school

Hi Jenny,

How are you? I hope you and your family are doing well. I'm sorry I couldn't write earlier. I was busy with my school's Family Fun Day preparations. It was held on 17 August from 10 a.m. to 4 p.m. It was a fun-filled day.

There were many stalls selling homemade food, souvenir items made by the students in my school and second-hand books. There were several game stalls, face-painting and cupcake-tasting booths too.

After I carried out my duty at the food stall, my friend, Aimee, and I visited the other stalls. While she got a butterfly painted on her cheek, I tasted some cupcakes at the next stall.

Aimee and I took part in the three-legged race. We stumbled a few times but we did not give up. We kept going until we reached the finishing line. In the end, we came in second place.

I'll attach some pictures of the event in my next email.

Bye for now,
Karen
