

## TEST 2 (LESSONS 5 – 8)

### 1. Read the text. Choose T (true) or F (false).

I go to a special sports school. We have got classes all day, so I always have lunch at school. There is a canteen where they cook healthy meals and snacks for us. We always have soup first, then chicken or fish with rice and salad or cooked vegetables. We never have bacon or chips because they are not healthy.

We don't have dessert after lunch, but we have a sweet snack in the afternoon – some fruit salad or pancakes with fresh fruit and honey.
