## Learn Grammar Past Continuous and Simple Past

I was walking to school this morning **when** I saw an orange butterfly.  
(What was going on) (What happened)

2 Match the sentence parts.

- |                               |   |                                       |
|-------------------------------|---|---------------------------------------|
| 1 I was running in the park   | • | • a when her phone rang.              |
| 2 Jen was going to the movies | • | • b when I saw a beautiful blue bird. |
