Writing- Well-developed paragraphs

Instructions: Read the undeveloped paragraphs below. Rewrite the paragraphs by adding **at least three more sentences to each**. Ensure that you include specific information and you have proper punctuation and capitalization of each sentence.

1. Smoking is hazardous to your health. It can cause lung cancer.
2. Pets reveal their owners' personalities. People who have cats usually prefer peace and quiet.
3. Basic first aid should be taught to all students in our school. If an accident occurs, an adult may not be present to help.
4. There are many reasons why we want a home computer. It would help my parents keep track of their bills.

5. Teens can earn money in several ways. They can work after school.

6. I learned to swim last summer. Swimming is an excellent way to relax and exercise.
