## Exercice de rattrapage (present continuous vs present simple)

Choose the correct form of the verb: present simple or present continuous.

Choisis la forme correcte du verbe : *present simple ou present continuous*.

Come thrifting° with me !

Hello everyone. My name is Alex Centomo. Here I [1 to stand] in my favourite thrift shop° Goodwill in Los Angeles. I am so excited. I [2 to wear] an orange shirt and a pair of black shorts that I bought here.

Thrift shops are amazing. A thrift shop [3 to sell] second-hand clothes for very little money. Not only poor people [4 to come] here. Many people [5 to shop] here to find something original. Except for my brother. He [6 to hate] the clothes here.

I [7 to pose] for the camera because I want people to know that you can find amazing things here.

°to thrift: faire des économies.

°a thrift shop: une friperie, un magasin de seconde main.
