

Practice 3 *The text below is about acknowledging someone's presence.*

Read the text below. There are grammatical errors in the text. The errors have been underlined for you.

Write one word to correct the error in the space provided. An example has been given. The correct word **must not change the meaning** of the sentence.

As soon as I disembarked from the bus, I <u>sees</u> a flat cloud, iron-grey and then blue across the Straits of Malacca. The <u>close</u> I got to the shoreline, the more it was defined. I walked and <u>see</u> it was a series of undulating sand dunes on the reclaimed beach front. Ahead on the <u>sand</u> beach was a fairly old lady in her warm scarf and sarong. We walked in <u>that</u> undulating dunes, towards each other. We were the only <u>person</u> visible on the landscape. She was a <u>really</u> walker – arms swinging, flat shoes, no cap, no map. It was <u>loving</u> too, grey sky above, the sun in the southwest. I watched the woman but she <u>does</u> not notice me at all. The beach was deserted except for a lone <u>fish</u> boat. She walked past me still <u>stony-face</u> until I greeted her and she turned her head. She gave me a good smile because I had spoken first. But if I hadn't, we would have passed each other on that lonely beach, not another soul around, five feet apart without a word.	e.g. saw (a) _____ (b) _____ (c) _____ (d) _____ (e) _____ (f) _____ (g) _____ (h) _____ (i) _____ (j) _____
