

Complete the story by changing the verbs between the brackets to the right past tense form.

Last week, Reem -------- (invite) me to her house for dinner to celebrate her birthday, she ----------(prepare) everything for her party by herself.
When I ---------- (arrive), everyone ------(be) already there.
While we---------- (chat) happily enjoying our time, we------- (hear) Reem's scream!!, Everyone ----- (run)to see what ---------- (happen). We --------- (see) Reem hugging a girl and crying. As We ----------(look) at them surprisingly, Reem --------- (smile) to us and said" She is my sister, I haven't seen her since last year, she studies abroad" It was the best surprise has ever happened to Reem on her birthday, we were all happy for her. The party was awesome, we really enjoyed it.
