- A. This text asks people to buy something.
- B. You can see this text at a campsite.
- C. You can see this text at a zoo.
- D. This text asks people for help.
- E. This text is an invitation.

Ex. 2 Read the text and match the headings to the paragraphs. One heading is extra.

- a. **Three kinds of mammals**
- b. **Eating habits**
- c. **Description and habitat**
- d. **Lifestyle**

Mammals are warm-blooded animals. They have fur or hair. They feed their babies on their own milk. Most mammals have got teeth. They live on land, underground or in the ocean and they are very intelligent. Some mammals can fly.

Some mammals like the whale, the hippo, the rhino, and the elephant give birth to live young. Other mammals like the kangaroo and the koala bear carry their young in a pouch. A few mammals like the giant anteater lay eggs.

Mammals that eat meat are carnivores. Carnivores include lions, tigers, seals, and polar bears. Mammals that eat only plants are called herbivores. Some herbivores are cows, elephants and giraffes. Mammals that eat both meat and plants are called omnivores. Humans are omnivores.

Ex. Watch the video and put the adjectives into the comparative or superlative.

adjective	comparative	superlative
big		
small
