Dear Arusatul,

I hope you are in the pink of health. I am doing fine at home. However, I feel _____ . I miss learning in school. In your last letter, you asked me about three things that I missed about going to school.

First, I missed _____ , in our class. It is easier _____ during learning. If I have questions, I can easily _____ .

Second, I missed going to recess together. Do you still remember _____ ? We often shared stories during recess over _____. You would complain that you are too full by the end of it.

Lastly, I missed _____. It was hectic, but it was one of my favorite parts of the day. Everyone would _____ and for the success of our school. Well, that is all for now. May Covid-19 virus would subside fast so that we can all learn in school again.

Take care, stay safe. Good bye.

Yours sincerely,
