THE SUN

Where does all the light in our world **come** from?

Of course, it's the sun. Plants need the sun **grow**

and animals and people can't see **it**. Sometimes it is

cloudy and you can't see the sun, but the sun is **there**.

At night, the sun is behind our planet, **it is day**

for people far **from us** when it is night here.

The sun is a big star. It is bigger **the Earth**. In the

summer, the sun is sometimes **hot** and this often

makes people feel sick.

..... **people like lying on the beach** when it's sunny.

But some days the sun is very bright, so people often wear sunglasses.

You mustn't **straight at the sun** because it can hurt

..... **eyes**. This can be very dangerous for you!
