Travelling is fun, but lots of things can go wrong. Read my travel tips and you'll have a good trip! First, remember the important things like passport, ticket and money. Mum usually takes those for me, but check the date on your passport. Children need a new passport every five years, but our parents only change theirs every ten years, so they sometimes forget! Use a rucksack or a suitcase on wheels. If you put your name and address on it, you won't lose it. Take shorts and flip-flops for sunny days. ☺ Take a raincoat or an umbrella for rainy days. Take a washbag with your toothbrush, toothpaste, shampoo and soap and don't forget medicines if you need them. Don't take guidebooks; they're heavy and you can download apps about the places you're going to visit. But remember to take a charger for your phone or tablet! If you're travelling at night, take a pillow so you can sleep. Have a good trip! 😊

Work in pairs. Look at the things on pages 112 and 113 and answer the questions.

- 1 Which things can you wear?
- 2 Which things should you take in your washbag?
- 3 Which things do you need for a beach holiday?

Think about different holidays, e.g. a skiing holiday or a beach holiday. What are you going to take? Play a guessing game.

I'm going to take a warm jacket and a helmet.

Yes, I am.

Are you going to go skiing?
