

HAZARDS

Exercise 1

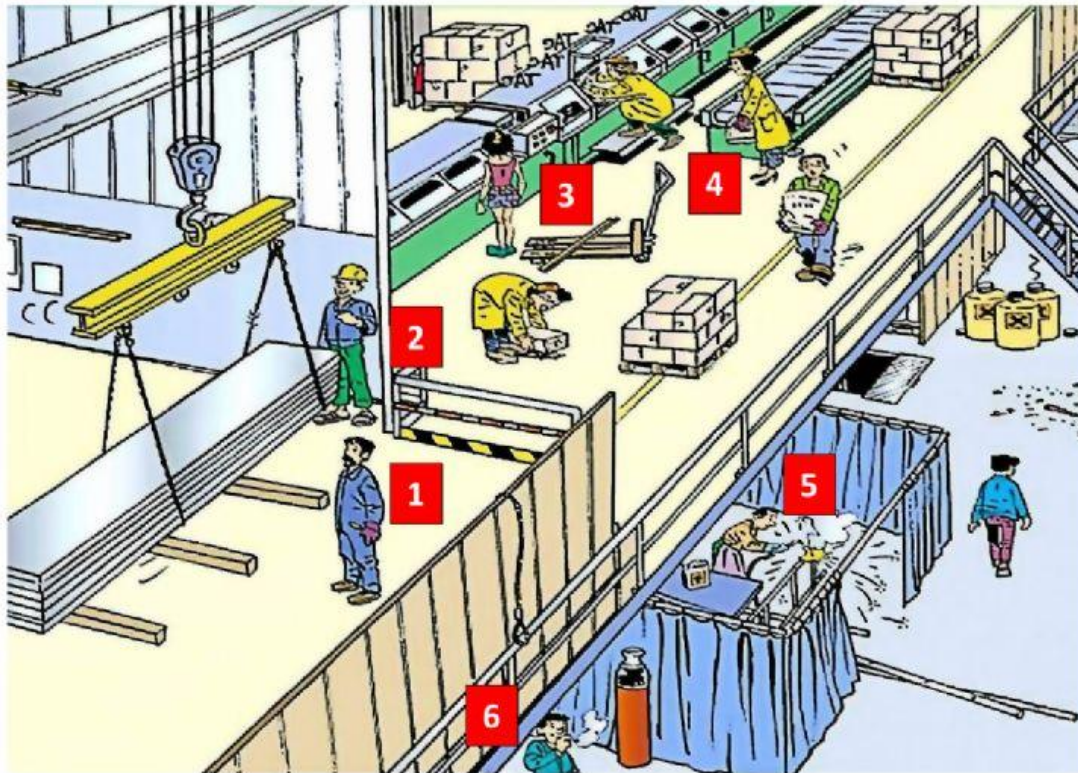

Match the hazard statements with the correct situation in the picture.

Spilled water may cause a person trips	Sharp knife is left on the table
Water boiler cable is dangling	A box of matches is on the dining table
The jug fell on the tabletop	Iron is left on the iron board
The cat is worried	Cabinet is not closed, so insects may contaminate the food

Exercise 2

Identify the hazards in the picture below and write them on the next page

Hazard in the picture above

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Exercise 3

Tick (/) to indicate it is a hazard and (X) to indicate it is not a hazard.
