My School

1. Fill in the blanks with information about your school.

My school is situated at _____. My school was founded by Mr. _____ or also known as Datuk _____ in the year _____. We celebrate founder's day at _____ every year.

My school motto is _____. My school philosophy is to give the best of _____ possible. My school vision is to educate as many _____ to become leaders of the future. My school mission is to continue the school as a _____, providing a service to the state as well as the country.

2. Complete the school song.

There is a school in _____

The tiniest school that you ever did see

The students come from _____ and all around the world

And in this school the kids are _____

The _____ kids that you ever did see

The students come from round and round and all around the world

And what we've got, is the best of the lot, the _____, that you ever did see

And they teach what is right and they teach what is wrong, and all _____ within reach

This is the best school in the east

The best of all that ever could be

We are proud to be in, _____, as part of this big family

We are proud to be in, we can always win, as part of this big family
