Unit 6-Reading-Gap-filling

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct word or phrase that best fits each of the numbered blanks.

The reality of an interview is never as bad as your fears. For some (1) _____ people imagine the interviewer is going to jump on every tiny mistake they make. In truth, the interviewer is as keen for the meeting to go well as you are. It is what (2) _____ his or her job enjoyable.

The secret of a good interview is preparing for it. What you wear is always important as it creates the first impression. So dress neatly, but comfortably. Make (3) _____ that you can deal with anything you are asked. Prepare for questions that are certain to come up, for example: Why do you want to become a nurse? What is the most important quality a good nurse should have? Apart from nursing, what other careers have you considered? What are your interest and hobbies?

Answer the questions fully and precisely. For instance, if one of your interests is reading, be prepared to talk about the sort of books you like. (4) _____, do not learn all your answers off (5) _____ heart. The interviewer wants to meet a human being, not a robot. Remember, the interviewer is genuinely interested in you, so the more you relax and are yourself, the more likely you are to succeed.
